**Spring Leagues now forming at Wisconsin's best indoor golf experience!**

**“AboutGolf” simulators provide an exceptional golf experience unlike any other, allowing you to play from 85+ of the top courses throughout the world.**

**Our bays are a massive 20' x 20', with almost 9ft tall screens that have a nearly 180 degree curve that will immerse you in an unbelievable realistic golf experience that you've never played before.**

**Join us for Spring Golf at Stingers!**

# RULES AND INFORMATION

- Sign Ups for our spring league opens **February 12th** and can be done online at [www.stingersgolfwfb.com/simulator-leagues](http://www.stingersgolfwfb.com/simulator-leagues)
- Your team can consist of only two people
- The first week of league play is Tuesday, April 2nd – Wednesday, April 4th
- The cost is \$400/Team, for 8 weeks of play, plus one playoff week if applicable
- Two nights (Tuesday/Thursday) will be played under net handicapped scoring format and one night of scramble format (Wednesday)
- There is a Maximum of 40 players per league night (20 teams)
- Each Team will play 9 holes of golf together
- Teams are expected to attend their scheduled league night time slot - we want to create a fun atmosphere and hope you get to know your fellow league members! Please plan accordingly to be free during the league slot you signed up for.
  - We understand that life happens - and individuals/teams are able to make up league play Monday - Friday and Sundays anytime during the week at no additional cost.
    - It's very important to let us know in advance if you are not coming so we open the sim for public play!
- We will be adding great fun and incentive to your league play by offering fabulous prize giveaways throughout the Spring League by hosting course contests and nightly raffle drawings. The cost to be a part of our additional weekly prize package will be a mere \$50 for the entire season! You also join each week, but the cost will be \$10 per week if you pay as you go. If you'd like to join the additional fun, please pay in cash to the league manager on or before the first week of play!
- Although these leagues are competitive, remember that this league is meant to be fun for all who participate. Please be respectful of your fellow league members and enjoy Wisconsin's best indoor golf experience!

## For the Net Handicapped Scoring Format:

- Handicaps established after the first two weeks of league play
  - Handicaps are used to ensure that players of all skill levels can compete against one another.
  - If you play well for your skill level, you will score well!
  - To eliminate any sandbagging, player scores can only move 4 strokes up or down in a single week

## For the Scramble Scoring Format

- Scramble League is a social yet competitive league for those looking to keep their game going this Spring
- Handicaps will not be used in this scoring format.
- Players will play from different Tees based on age and gender to keep it fair for all involved.
- Based on participation, the scramble league may be split into divisions if we get a good turn out!

# FAQs

## **Q: Can we have a sub for our league team?**

A: Since our league is handicap based, you cannot use a sub. In this scenario you could have someone who is a much better golfer fill in for you and skew your team's score.

## **Q: How long do I have to make up a league round?**

A: League rounds can be made up anytime during the week following your absence. For example, if you miss your Wednesday league night, you have until the following Wednesday to make it up. Keep in mind that if you make it up during the weekend you will be charged the hourly rate. If you play during the week there will not be an additional charge.

## **Q: What happens if I cannot make up my league round at all during the following week?**

A: You will be given a "ghost score" that will count for your league round. This score will not be beneficial to your team's overall score but will not significantly move you down in the standings.

## **Q: What happens over holiday weeks?**

A: We do not play league over any national holiday weeks. Even if the holiday falls outside of league play (Friday-Sunday), we will not play that entire week.

## **Q: Is there any benefit to being part of the simulator league?**

A: Yes! As a Stingers League Member, you will not only gain a local golf community but you will also receive a \$5 discount on simulator use outside of league play. Golfers in our leagues will get the chance to win raffle prizes, skill game prizes, and compete for breathtaking golf packages.

## **Q: What sets Stingers apart from other simulator leagues?**

A: At Stingers we are trying to create a golfing community here in West Bend. Rather than competing with people that you have never met or seen, we want our league members to get to know each other and have some fun competition. You will have fun playing on our world class simulators, but we hope you have more fun cultivating lifelong friendships with the people who play on your league night. Additionally, we have the most immersive, unique simulator experience you can find in the Midwest!
